My interests:

- Medical Education
- Aortic Surgery
- Post-operative Cardiac surgery AF and Inflammatory response
- Post cardiac surgery Fluid balance & AKI
- Mechanical circulatory support

My Interests outside Medicine

- My Family
- Ping Pong & Swimming
- Travelling
- Reading

Clinical Audits:

1- Cardiac Chest pain Management in Victoria Hospital / Blackpool

2- Trust wide Drug Allergy Documentation in Papworth Hospital

3- Post-Operative Patients List accuracy and Optimization Audit (loop closed)

4. Warfarin Protocol in James Cook University Hospital

MD Dissertation:

The Role of Long term Vasodilator therapy in Chronic, Severe, Asymptomatic AR with Normal LV Function & No Significant Dilatation

Publication:

- *ICD Lead Migration: A Lesson to Learn (A literature Review and case report).*
- *Advanced cardiac surgery wet-lab article in the SCTS Bulletin journal.*
- *VAC Therapy and Right Ventricular Rupture post Deep Sternal Wound Infection*
- *A rare presentation of mycotic cerebral aneurysm, subarachnoid hemorrhage, and mitral valve aneurysm in left-sided infective endocarditis: a case report and literature review*

My Current Projects

- *Fluid Excess and AKI Rate (FEAR) post Cardiac Surgery Prospective Study*
- *NOAC therapy and pericardial effusion post CABG Surgery*
- *Aortic Root Enlargement techniques*
- *Emergency CABG post STEMI*

Organization Skills

- *Comprehensive Cardiac Surgery Wet Lab at Glenfield Hospital in Leicester/UK 31/05/2018*
- *Core medical training procedures course in the University Hospitals of Leicester 2 Feb 2019.*
- *Advanced Cardiac Surgery Wet-Lab in Glenfield hospital, Leicester, UK*
- *Setting coronary surgery skills lab in JCUH*
- *Head of Medical Education at the medical School*
- *The main organiser of Iraq-UK International Cardiology and Cardiothoracic Surgery Conference in Sep 2024*

GMC Registration:

Fully registered medical practitioner with a license to practice. My GMC ref. Number is: **7449119**
